	<p><b>Magnetic Alphabet:</b> Move letters around and create words, sentences, and phrases. Just like on the refrigerator!</p>
	<p><b>Bob Books Reading Magic vol. 1:</b> Continues Bob Books' commitment to bringing children a satisfying, successful first reading experience, with easy first steps, wholesome values, authentic hand-drawn illustrations, and beautiful full-color animations.</p>
	<p><b>Bob Books Reading Magic vol. 2:</b> Continues Bob Books' commitment to bringing children a satisfying, successful first reading experience, with easy first steps, wholesome values, authentic hand-drawn illustrations, and beautiful full-color animations.</p>
	<p><b>Bugs &amp; Buttons:</b> The app goes beyond simply great graphics and beautiful music by engaging children through intriguing game play that progressively adapts to their skill level. Designed to be self paced, each activity offers simple visual instructions. Offering two play modes, children can choose to be automatically guided or explore and play.</p>
	<p><b>Colors &amp; Shapes:</b> This is an educational app to be played with young children. Balloons of different colors and shapes float onto the screen and the child is asked to "find the red balloon" or to "find the green square balloon." When they tap the correct balloon another set of colored balloons appears.</p>
	<p><b>Drawing Pad:</b> Create your own art using "actual-sized" photo-realistic crayons, markers, paint brushes, colored pencils, stickers, roller pens and MORE! Save your artwork to your Drawing Pad Album and reload it later to keep working on your masterpiece!</p>
	<p><b>Google Earth:</b> Fly around the planet with a swipe of your finger with Google Earth for iPhone, iPad, and iPod touch. Explore distant lands or reacquaint yourself with your childhood home. Search for cities, places, and businesses. Browse layers including roads, borders, places, photos and more. Visit the Earth Gallery to find exciting maps such as real-time earthquakes, planes in flight, hiking trails, city tours, and more.</p>

## iPad Cart 3 App list

	<p><b>I Like Books</b> - The "I Like" children's picture books are a magical way to enjoy stories with your child. Not only are the stories and pictures fun... they also help your child learn about the world they live in. It is a fantastic learning experience for kids of all ages from 0 to 6.</p>
	<p><b>iBooks</b> - an amazing way to download and read books. iBooks includes the iBookstore, where you can download the latest bestselling books or your favorite classics – day or night. Browse your library on a beautiful bookshelf, tap a book to open it, flip through pages with a swipe or a tap, and bookmark or add notes to your favorite passages</p>
	<p><b>iLearn Continents</b> - A fun way to learn the names and locations of the continents and oceans. Three modes to choose from:</p> <ul style="list-style-type: none"> <li>• Learn Mode allows you to tap and highlight each area to see its name.</li> <li>• Game Mode pits you against the clock to see how many continents and oceans you can identify in one minute. Earn bonus points for each second left on the clock.</li> <li>• Test Mode quizzes you by asking you to identify each area without the pressure of a clock, and scores you based on the total number of attempts.</li> </ul>
	<p><b>iWrite Words</b> - iWriteWords teaches your child handwriting while playing a fun and entertaining game.</p>
	<p><b>Learn Sharks Now!</b> - Learn Sharks gives your child a fun introduction to a variety of sharks, including the fierce Great White Shark, and the friendly Whale Shark. Use this app to get to know what each one looks like and some interesting info about it, then test your knowledge using our quiz feature!</p>
	<p><b>Letter Quiz</b> - Letter Quiz is the best way to learn the English Alphabet. Four different games for every stage of learning; flashcards, identification, matching and handwriting. Designed for kids but great for all ages.</p>

## iPad Cart 3 App list

	<p><b>Math Bingo</b> - The object of Math Bingo is to get a pattern of five Bingo Bugs in a row by correctly answering math problems. Math problems are presented at the top of the game screen. Feedback is presented at the bottom of the game screen. Correct solutions to problems answered incorrectly will be displayed.</p>
	<p><b>MathBoard</b> - MathBoard is a highly configurable math app appropriate for all school aged children. Beginning in kindergarten, with simple addition and subtraction problems, through elementary school where learning multiplication and division can be a real challenge. MathBoard will allow you to configure the app to best match the abilities of your individual child/student.</p>
	<p><b>Monkey Math School Sunshine</b> - Monkey Math School Sunshine allows your child to build fundamental math skills while they are endlessly entertained. Your child will count, add and sort their way through engaging games with uninterrupted play. For ages 3 to 6.</p>
	<p><b>Montessori Crosswords</b> - Based on the proven Montessori learning method, Montessori Crosswords helps kids develop their reading, writing, and spelling skills by building words from a set of 320 word-image-audio-phonics combinations using a phonics-enabled movable alphabet.</p>
	<p><b>Ocean Encounters</b> - Travel the Oceans of the World with Award-Winning Wildlife Photographer and Author Brandon Cole, exploring the beauty and diversity of earth's marine life.
